The rental price includes everything: VAT, insurance, safety lock, 2 helmets, 2 drivers and top case.

The prices indicated include third party liability insurance. To rent you must have a driving license B / A1 / B1 and a valid credit card (no prepaid or electron).
The vehicles **are not** covered by kasko insurance, therefore in case of accidents, falls, stop costs, recovery costs the damages are charged to the customer.
Whatever the departure time is, the scooter must return the day and time agreed on the rental contract. Notify as soon as possible if late or interested in extending the rental in order to check availability. **In case of early return there is no refund.**
