

POOL REGULATIONS

In order to guarantee your safety and respect local sanitary legislation the following rules apply in the swimming pool complex:

- The use of plastic non-slip footwear is compulsory at poolside.
- It is compulsory to take a shower before entering the pools.
- Diving is forbidden.
- Children are not allowed without parental supervision.
- It is forbidden to run and play along the poolside.
- No food or drink can be taken inside the pool.
- Glass bottles and glasses are forbidden within the pool premises.
- No animals are allowed in the fenced area, except the designated area at the main pool.
- Inflatables and balls are not permitted in the pools without permission from the lifeguard.
- The management has the right to close the pool in case of bad weather, storm alerts or any other condition that may be considered dangerous for safety or sanitary reasons.
- Anyone found within the pool premises (inside the fenced area) after hours, will be asked to leave the camping resort immediately.
- Children under 3 years of age and incontinent bathers must wear waterproof pants or swimsuits.
- Deck chairs are available on a first in first served basis, no reservations are possible. Please ask staff before occupying them.
